- Protection from slip injuries
- First of its kind product in Bangladesh
- Special Glaze Coating
- Meets all coefficient of friction standards
- Resistant to surface abrasions and scratch hardness

## Anti Slip tiles

X Ceramics a pioneer in Bangladesh's tiling industry, which has been proven time and again by its passion for ceramics. Through the high prowess and expertise of its in-house research & development department and international collaboration, X Ceramics has become a surface and solutions guru.

With a thought of care and protection for the young buds and seniors of our families, we specially developed an innovative and feature-rich range of Anti-Slip Tiles. Crafted for the various slippery areas in homes, this Anti-Slip range is a welcome addition into our portfolio of products that touch lives. Along with high durability and resistance to abrasions, the co-efficient of friction doesn't diminish on our Anti-Slip Tiles as it does on general floors. These exceptional features make these tiles ideal for application in kitchens and bathrooms.

X Ceramics' Anti-Slip Tiles takes care of the ones who protected you yesterday and also shields the hyper-active young generation of today.

## X Ceramics Group

X Ceramics Group has established itself as the flag bearer of Bangladesh's ceramic industry. This is the first true Italian Joint Venture in Bangladesh that launched a successful Italian Brand X Monica. With pioneering innovation and research at the forefront, X Ceramics Group has a vast and diverse product range. All of our prowess, productivity, and strength lies in our surface research and subsequent solutions, which makes X Ceramics Group the surfaces & solutions authority.

Our drive to provide exemplary surfaces and solutions comes from our passion to provide products that touch everyone's everyday life. X Ceramics Group believes that its products when used should serve their purpose not only aesthetically but also as a dependable solution as per the user's daily needs.

In order to fully capture the Italian spirit, X Ceramics Group has created three different brands with different persona, design, and product basket. X Monica is the Italian brand tiles, X Monalisa is the Italian Fashion tiles, and X Alexander is the King of tiles.
